MEMBERSHIP APPLICATIONS

Applications for membership can be made at any time during the year. We suggest you make a visit to the Sailing Club; have a look around and talk to members to ensure we meet your needs.

The Purpose of our club is to foster and promote small boat sailing and other forms of recreational water activities. In doing so for our members we also encourage local participation at our club to aid the increase and general participation in our sport.

If you would like to join the club, complete your membership application form, follow the payment structure seen below and place your application in the Membership Secretary Pigeon hole in the club house. You can also post to the club if you wish - addressed to the same person or complete the Database online version. Your membership application will take about a month to process and during that time you are welcome to use the club facilities.

Cadet membership

HHSC welcome young sailors and we receive a number of cadet (under 18) applications every year. However, for safety reasons we do encourage at least one parent, or preferably the whole family, to join along with the cadet. There is an undertaking on the reverse of the application form, which must be signed by an adult member of the Club, who is prepared to take responsibility for the child, at all times they are on Club premises or afloat in Club boats - (unless they are participating in training courses officially organized by HHSC). As mentioned, we would obviously prefer this adult member to be the child's parent.

Temporary membership

The Management committee agreed for a Temporary membership to be allowed at a cost of £10 per member.

Guests visiting the clubhouse

The Club rules state that guests of members (and this includes non-member parents of cadets) are permitted to visit the Club premises up to six times a year. Anyone wishing to visit the Club more often should apply to join. All guests visiting the Club must sign the visitor's book.

The Club Flag Officers wish you well in your time at Hill Head Sailing Club. Please use the website contacts links to find out who is responsible for what at the club, so you can become involved in your section of interest.
